

Billings Clinic AllCare Pharmacy Solutions
1015 Broadwater Ave Suite 201
Billings, MT 59102
406-435-5970

Greetings,

AllCare Pharmacy Solutions is established as part of the integrated Billings Clinic pharmacy team. Our pharmacy, led by a Board-Certified Geriatric Pharmacist, provides a hands-on approach to reach every individual on a personal level. Friendly staff are available to provide customized services according to your facility's needs.

We offer convenient monthly billing for all co-payments that are mailed at the beginning of every month. We accept all major credit cards, checks, and cash. Brandon Wagner is the Charge Analyst that can answer your insurance and billing questions.

We thank you for this opportunity and look forward to being part of your health care solution. Our pharmacy contact information is listed above for your convenience should you have any questions. Please take the time to fill out the attached patient information form, so we can process prescriptions. Please let us know if any of this information ever changes.

Sincerely,

Beth Stulc, PharmD
Outpatient Pharmacy Manager
