

# YOUR HEALTH, OUR VISION

## OUR MISSION

We are committed to caring, healing, and a healthier community.

## OUR VISION

We will be the quality leader for healthcare in the region through...

- Promoting patient-centered care
- Embracing a passionate commitment to exceptional quality and safety
- Providing an exemplary patient experience
- Attracting and retaining caring, innovative medical providers and employees
- Achieving cost efficiency through progressive and effective resource management
- Developing visionary leaders
- Serving as a catalyst for a growing network of collaborative partners

## OUR VALUES

**S**

### SERVICE

Our pursuit is to improve the health status of the people we serve.

**E**
