

# GLENDIVE MEDICAL CENTER VALUES

## SERVICE

Our pursuit is to improve the health status of the people we serve.

## EXCELLENCE

Excellence in quality, safety, and service.

## RESPECT

Acknowledging that everyone has worth.

## VALUE

Value our time, treasures, and talents through stewardship.

## ENGAGE

Engage our people to improve health in our community.

Glendive Medical Center lives by **SERVE**—providing compassionate **service**, striving for **excellence**, treating all with **respect**, practicing responsible **stewardship**, and **engaging** our community to improve health.
