Telehealth iPhone Instructions

Thank you for using our Telehealth services. This guide covers how to join Microsoft Teams for a telehealth visit with your provider using an Apple iPhone or iPad.

1.

Download Microsoft Teams

Open the App store on your device. Search for Microsoft Teams and install the application.

2.

Open Microsoft Teams

After Teams has finished downloading. Find the app on your home screen and click on it.

3.

Join Your Session

Join the session by opening your email with the meeting information. Select **Join Microsoft Teams Meeting**.

4.

Join As Guest

When Microsoft Teams opens click the Join as guest option.

5.

Allow Access

Click 'OK' on all pop-ups asking for permissions to access your device functions.

6.

Join Meeting

Enter your name and then click **Join Meeting**
