

Donor Impact

Your generosity is an investment in both education and the future of our community.

Through the Glendive Medical Center Foundation Scholarship Program, donors help students pursue degrees in healthcare, business, accounting, and related fields - careers essential to sustaining quality services in rural communities like ours. Scholarship support eases the financial burden of education, allowing students to focus on learning, growth, and service.

Many scholarship recipients have strong ties to our region and a desire to give back. With your support, these students are better prepared to return to communities like Glendive as compassionate caregivers, skilled professionals, and dedicated leaders. Every scholarship awarded reflects the belief that investing in education today helps ensure access to quality care and services tomorrow.

We invite you to join this lasting impact. Your gift to the Glendive Medical Center Foundation Scholarship Program - of any size - helps open doors for students while strengthening our community for generations to come.

To make a donation or learn more about establishing a memorial or named scholarship, please contact the Glendive Medical Center Foundation Office at (406) 345-2627 or visit www.gmc.org/Foundation

SCHOLARSHIP PROGRAM

**Investing in future healthcare
and business professionals.**

The Glendive Medical Center Foundation Scholarship Program was established to support students pursuing education, we help build a strong, skilled workforce and ensure quality care and services remain available in our community.

Scholarship Opportunities

The Sobotka Scholarship

August and Mary Sobotka generously gifted the proceeds from the sale of their ranch to Glendive Medical Center, creating the Sobotka Endowment. This endowment provides an annual \$5,000 total in scholarships to a student pursuing a career in **healthcare**. Eligible applicants must be enrolled full-time and in the second half of their program.

MJB Nursing Scholarship

Awarded each spring, the MJB Nursing Scholarship provides \$1,000 to a registered nursing student or a student pursuing a **degree in a medical profession**. Applicants must be full-time and in the second half of their program.

Barbara Markham Scholarship

The Barbara Markham Accounting/Business scholarship provides \$1,000 each spring to a student pursuing a degree in **accounting or business**. Eligible candidates must be enrolled full-time and in the second half of their program.

Tena Brown Memorial Scholarship

The Ernestena "Tena" Brown Scholarship, awarded each spring, provides \$500 to a student pursuing an advanced degree in **medical or dental healthcare**. Applicants must be full-time students in the second half of their program.

Get Help Paying for School

Who Can Apply

Students must have a cumulative GPA 3.0 or higher on a 4.0 scale. A sealed, official college transcript must be sent to the Foundation office before April 15th.

Students must be registered full-time in an accredited baccalaureate or graduate-level program, and have completed at least half of their program to apply.

All completed applications are reviewed by the Scholarship Committee in May. Finalists will be selected and invited for an in person or virtual interview.

Once winners are selected, the scholarship recipients will be notified.

Recipients must remain enrolled full-time for the entire academic year in which they receive the award. If a student is no longer enrolled, the Foundation Director will notify the college and request return of the scholarship funds.

Applications Open Feb. 15

Applications Deadline April 15

(No Late applications or supporting documents accepted)
