

Prescription Drug Plan Information

Glendive Medical Center and Eastern Montana Veteran's Home are contracted with some of the many prescription drug plans available. **Please bring in your current prescription drug plan card prior to admission. Social Services or Aging Services Billing personnel will verify whether or not we are contracted with your current plan.**

In the event that we are not contracted with your plan, we can assist you in choosing a contracted plan. You will be responsible for your pharmacy charges until you are switched to a contracted plan.

If you have prescription drug coverage through a retirement plan, we will assist you in sending paper claims, but you will be responsible for all of the pharmacy charges.

If you have any questions regarding your prescription drug plan, please call Dianna Malcolm, our prescription drug plan specialist, at 345-3306.
