The Stadium Course at TPC Scottsdale has hosted some of contemporary golf's greatest moments since opening in 1986. The course was designed by Jay Morrish and Tom Weiskopf specifically to serve as the stage for the tournament – what's now become the largest spectator golf event in the world.

Rivaling its famous sister course in both beauty and playability, the Champions Course offers an ideal desert golf experience. Built on the former site of TPC Scottsdale's Desert Course, the layout was completely revamped in 2007 to flow seamlessly within the naturally rugged terrain, meandering between natural ravines and through picturesque foothills.

Note: The TPC courses are not available to the public during a limited number of special events such as the Phoenix Open
