FOUNDATION DIRECTOR
Christina Sager

As we move through another busy and rewarding summer, I want to take a moment to express my sincere gratitude to our donors, volunteers, and community members. Your generosity and unwavering support continue to make a meaningful difference for Glendive Medical Center, our patients, and our staff. Because of you, we are able to invest in programs, equipment, and opportunities that strengthen local health care for everyone. The first half of the year has been filled with exciting activity. A great deal of time and energy went into planning our 2026 Grill & Chill fundraiser, and I am incredibly grateful to everyone who contributed to its success. Whether you attended the event, donated, sponsored, volunteered, or helped behind the scenes, your support made an incredible impact. Thank you for believing in our mission and helping us continue to provide exceptional care close to home. This spring also brought another successful scholarship season. We were thrilled to receive 30 scholarship applications from outstanding students pursuing careers in health care. It was inspiring to meet so many talented and compassionate individuals who are committed to serving others. Selecting this year's recipients was no easy task, and we wish each applicant continued success as they pursue their educational and career goals. As we look ahead, one of my greatest priorities is building meaningful relationships with our donors. I want to get to know you, hear your stories, learn what inspires your generosity, and better understand your connection to Glendive Medical Center. Your support goes far beyond a financial gift—it reflects your commitment to the health and well-being of our community, and I am grateful for the opportunity to partner with you. Thank you for your continued generosity and confidence in the Glendive Medical Center Foundation. Together, we are making a lasting impact, and I look forward to all that we will accomplish in the months ahead.

GIVE LOCAL 2026

On April 30, the Glendive Medical Center Foundation participated in Give Local at the Moose, an annual community event that brings nonprofit organizations together to showcase their missions and the impact they make throughout our community. The event provides a wonderful opportunity for community members to learn more about local nonprofits, connect with their representatives, and support causes that are meaningful to them through charitable donations. We are incredibly grateful to everyone who stopped by our booth and contributed to the Glendive Medical Center Foundation during this year's Give Local event. Thanks to your generosity, we raised \$750 to support our Grill & Chill fundraiser. Thank you for your continued support of the Foundation and our mission. Every gift, no matter the size, helps us make a lasting difference for Glendive Medical Center and the patients we serve.

GRANTS

Workplace Wellness Committee

The Glendive Medical Center Workplace Wellness Committee received a \$720 grant from Montana Health Network to support the ongoing implementation and sustainability of the Glendive Medical Center Workplace Wellness Program. These funds will help offset costs associated with facilitating wellness challenges and activities throughout the year that promote employee engagement in nutrition, mental health, physical activity, and financial wellness.

EXTENDED CARE RENOVATIONS

Thanks to the incredible generosity of our donors, sponsors, volunteers, and everyone who supported the 2025 Grill & Chill fundraiser, the Extended Care renovation project at Glendive Medical Center is now complete.

The improvements have created a more welcoming, comfortable, and enjoyable environment for our Extended Care residents, and we are excited to share that they are already enjoying the updates.

Your support made this project possible, and we are sincerely grateful for your investment in enhancing the quality of life for those who call Extended Care home. Thank you for helping us make a meaningful difference!

GIVING MADE EASY: DONATE ONLINE

Supporting Glendive Medical Center Foundation has never been easier.

Online giving is available through our website, allowing you to make a secure donation anytime, anywhere. Whether you choose to give in honor of a loved one, support a specific program, or make a general gift, your online donation helps strengthen health care in our community.

Every gift—no matter the size—makes a meaningful impact. We invite you to visit our website to learn more about current needs and see how your generosity supports patients, families, and staff at Glendive Medical Center.

Thank you for considering an online donation and for being a valued part of our mission.

GRILL AND CHILL

OUR LARGEST FUNDERAISER

The Glendive Medical Center Foundation extends its heartfelt gratitude to everyone who helped make the 2026 Grill & Chill an incredible success. Thanks to the generosity of our community, sponsors, donors, and attendees, we raised \$133,319 to support the purchase of a TRIOs Orthopedic Surgical Table for the Glendive Medical Center Surgery Center.

This remarkable achievement would not have been possible without the dedication of our volunteers, Foundation Board members, and Foundation Specialist Julie Borst, whose hard work and commitment helped make the evening a success. We are deeply grateful to everyone who contributed their time, talents, and support.

Your generosity is making a lasting impact by helping enhance surgical care for patients throughout our region.

Thank you for believing in our mission and investing in the future of healthcare at Glendive Medical Center.

Mark your calendars! We hope you'll join us again for the 2027 Grill & Chill on Friday, June 4, 2027. We look forward to another memorable evening of great food, fun, and community support.

GMC CONNECT – COFFEE HOUR

This year, the Glendive Medical Center Foundation introduced a new way to connect with our community through our quarterly Foundation Coffee Hour.

Hosted by Foundation Board members, these informal gatherings provide an opportunity for community members to enjoy a cup of coffee, visit with one another, and learn more about what's happening at Glendive Medical Center. We held our first Coffee Hour in March and were pleased to welcome community members back for our second gathering in June.

During each Coffee Hour, Glendive Medical Center CEO Parker Powell shares updates on hospital initiatives, new services, and projects taking place throughout the organization. Guests are encouraged to ask questions, share their thoughts, and engage in open conversation about the future of healthcare in our community.

We appreciate everyone who has joined us so far and look forward to continuing these quarterly gatherings as another way to keep our community informed, connected, and engaged.

DID YOU KNOW?

Did you know? Since 1987, the Glendive Medical Center Foundation has made 39 years of local impact, thanks to the generosity of donors like you.

Every donation stays local and directly supports programs in our community

Every gift improves patient safety, promotes wellness, and helps build a healthier future for our community.

2026 SCHOLARSHIP RECIPIENTS

Sobotka Scholarship Recipient

Izaac Sessums has been awarded the **\$5,000 Sobotka Scholarship**. Originally from Montana and a graduate of the University of Montana, Sessums is currently pursuing a Master of Science in Physician Assistant Studies through the University of Washington's MEDEX Northwest Program in Seattle.

The Sobotka Scholarship was established through the generosity of August and Mary Sobotka, who created the Sobotka Endowment using proceeds from the sale of their ranch to Glendive Medical Center. The endowment provides annual scholarship support to students pursuing careers in healthcare.

Barbara Markham Accounting/Business Scholarship Recipient

Anna Nasset of Regent, North Dakota, has been awarded the **\$1,000 Barbara Markham Accounting/Business Scholarship**. Nasset is pursuing a degree in Professional Accountancy at the University of Mary.

The Barbara Markham Accounting/Business Scholarship is awarded annually to a student pursuing a degree in accounting or business, helping support future professionals in these important fields.

MJB Nursing Scholarship Recipient

Callie Gembala of Bigfork, Montana, has been awarded the **\$1,000 MJB Nursing Scholarship**. Gembala is pursuing a degree in Health Sciences at Carroll College.

The MJB Nursing Scholarship is awarded each spring to a registered nursing student or a student pursuing a degree in a medical profession, encouraging the next generation of healthcare providers.

MEMORIALS

These contributions were made in memory of individuals who hold a special place in the hearts of their families and friends. Through these meaningful gifts, their legacy lives on by helping us continue to provide compassionate care to our community. If you would like to make a donation in memory of someone special, please contact the Foundation Office.

- Harold Heafield donated by Renasu Heafield

Legacy Donors

A legacy donor is someone who chooses to leave a future gift to an organization through their will, estate plan, or other planned giving method. These gifts, often called bequests, help ensure the organization's mission continues for generations to come. Legacy donors are typically recognized for their long-term commitment and vision to make a lasting impact beyond their lifetime.

If you're interested in becoming a legacy donor, please contact the Foundation Office at 406-345-3373.

THANK YOU TO OUR DONORS

We are deeply grateful for the generosity of our donors and supporters. Your gifts make a lasting difference, bringing comfort, hope, and healing to patients and families throughout our community. Whether by supporting innovative programs, enhancing our facilities, or helping us provide exceptional care, your generosity has a meaningful impact on countless lives.

It is our privilege to recognize the following individuals, families, businesses, foundations, and organizations whose philanthropic support helps make our mission possible. Thank you for your compassion, kindness, and commitment to improving healthcare in our community.
