Our mission is to provide opportunities and resources for our friends and neighbors to give financial support to Glendive Medical Center

Thank You for Your Support

We are incredibly grateful for the generosity of our donors. Your support helps Glendive Medical Center continue providing high-quality, compassionate care to our community. Together, we are making a meaningful difference in the lives of our patients and their families. Thank you for being a vital part of our mission.

2024 Grill and Chill Raised funds for Pulmonary Function Machine

Thanks to the incredible support from our community, the proceeds from 2024 Grill & Chill went toward purchasing a Pulmonary Function Machine (PFT)! This vital equipment will help us better diagnose and treat patients with asthma, COPD, COVID, and other lung conditions. It will also assist in determining if a patient is a candidate for anesthesia before surgery. Your generosity is making a real difference in the lives of those with lung disorders and diseases. Thank you for supporting our mission and helping us breathe easier – together!

NEW FOUNDATION DIRECTOR

Christina Sager

Christina dedicated herself to serving patients and families through various roles in the Social Services Department, including Acute Care, Extended Care, and ultimately as the Social Services Manager. In 2023, she made the difficult decision to transition to Human Resources, where she gained a broader perspective on the organization. Now, as Foundation Director, Christina is excited for the opportunity to support GMC and the community in a new and meaningful way. “Glendive Medical Center is a great organization, and I truly enjoyed all the patients and families I had the privilege to work with. I’m honored to now serve our community and this organization from a different perspective, helping to build resources that enhance patient care and support our mission for years to come.” Christina looks forward to collaborating with donors, staff, and community partners to continue making a positive impact on healthcare in Eastern Montana.

2025 SCHOLARSHIPS

Glendive, MT – June 9, 2025 – The Glendive Medical Center Foundation is pleased to announce the recipients of its annual scholarship awards, which support students pursuing careers in healthcare, business, and related fields. These scholarships reflect the generosity and commitment of donors who believe in investing in the next generation of professionals.

Sobotka Scholarship – \$5,000 Award

The prestigious Sobotka Scholarship was awarded to **Mathias Dufner** of Glendive, MT. Mathias is currently pursuing a Bachelor of Science in Nursing (post-baccalaureate) at North Dakota State University. This endowed scholarship was established in 2004 by local ranchers Auggie and Mary Sobotka and has supported 20 local students pursuing high-level medical professions.

MJB Nursing Scholarship – \$1,000 Award

Julia Salois of Conrad, MT, received the MJB Nursing Scholarship. Julia is enrolled at Montana Technological University, where she is pursuing a degree in nursing. This scholarship, created in 2012 by a dedicated GMC employee, is awarded to individuals pursuing degrees in the medical field, with preference given to those employed at GMC.

Barbara Markham Endowed Scholarship – \$1,000 Award

The Barbara Markham Scholarship was awarded to **Codi Nagle** of Lindsay, MT. Codi is studying Agricultural Business at Dickinson State University. This scholarship was established in honor of longtime GMC employee Barbara Markham by former CEO Scott Duke and former Board Member Craig Anderson to support students in the business or accounting fields.

Ernestena “Tena” Brown Scholarship – \$500 Award

Amalia Bradburn, from Sinking Spring, PA, is this year’s recipient of the Tena Brown Scholarship. Amalia is pursuing a degree in Physician Assistant Science at Saint Francis University in Pennsylvania. Tena Brown dedicated 45 years to the nursing profession, including 44 years of service at Glendive Medical Center. This scholarship honors her legacy by supporting students in the healthcare field, including medical and dental professions.

About the Glendive Medical Center Foundation

The Glendive Medical Center Foundation is dedicated to advancing healthcare in our region through philanthropy. By supporting education and investing in local students, the Foundation helps ensure that quality care will continue for future generations.

EMPLOYEE GIVING CAMPAIGN

In May 2025, Glendive Medical Center revitalized its Employee Giving Program, creating new opportunities for staff to give back in meaningful ways. Employees now have the option to direct their contributions to specific funds that align with their personal passions.

Employee Giving Programs are an important part of a strong organizational culture because they empower staff to invest in the mission of their workplace, creating a deeper connection to the patients and community they serve. By supporting these initiatives, employees help enhance patient experiences, advance healthcare services, and build a stronger, more compassionate community - demonstrating that giving truly starts from within.

In May, Glendive Medical Center celebrated healthcare week. The Foundation hosted a “mocktail event” on Monday, May 12th, introducing our new brochure/campaign. We had eleven (11) employees who either increased their donation or signed up for the first time.

Currently, we have 120 employees who donated to the Employee Giving Campaign.

A few staff members signing up for the Employee Giving program during healthcare week.

OUTPATIENT DESK RENOVATIONS

The renovations have been made possible through funds raised from the 2023 Grill & Chill, so thank you to all who helped make this a reality. We look forward to being able to offer our patients a functional and private space to check in for appointments.

Hospice Fund - New Vehicle

Thanks to your generous support, funds from our Hospice Fund have helped us purchase a vehicle for our hospice staff! This new addition allows our team to provide even more compassionate care to patients and families in need, ensuring they receive the support they deserve - wherever they are.

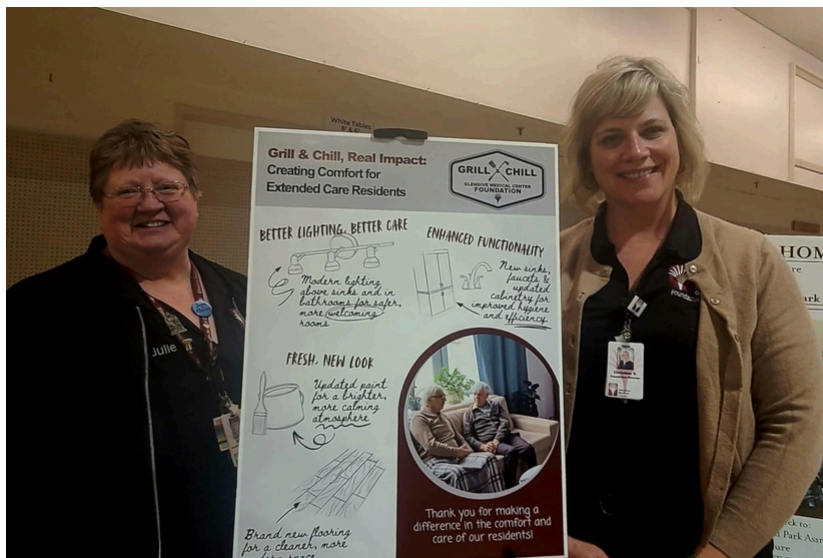

Your donations make a real difference in the lives of those we serve. Thank you for being a part of our mission!

GIVING DAY

Giving Day was a wonderful opportunity for local nonprofits to come together, raise awareness about their work, and give community members a chance to support them—all in one place.

Thanks to the generosity of our community, the GMC Foundation raised a total of \$1,416 during the event. Stockman Bank donated \$100 to each participating nonprofit, and we were excited to win a \$50 gift card from BN Credit Union. Through contributions at the event and online, we received an additional \$545 in donations. Thank you to everyone who helped make this event a success and for supporting the mission of the GMC Foundation.

FLOWER DONATION

The Foundation received a memorial donation for perennial flowers to enhance the Behavioral Health Courtyard in memory of Shirley Goetz. The flowers were planted this past spring and are a beautiful addition for patients to enjoy.

2025 GRILL & CHILL

The Glendive Medical Center Foundation held its annual Grill and Chill fundraiser on May 30–31, bringing the community together for a weekend of fun, food, and fundraising in support of Glendive Medical Center’s Extended Care. As the facility’s largest annual fundraiser, this year’s event was a tremendous success. Festivities began Friday evening at the Toepke Center at Dawson Community College with a BBQ dinner, silent auction, bucket raffle, and live auction, led by auctioneer Ron Granmoe. One of the highlights of the evening was the Winner’s Choice Raffle drawing—congratulations to Katie Zachmann, this year’s lucky winner! Saturday featured an 18-hole golf scramble with 24 participating teams, all playing to support a meaningful cause. During the tournament, names were also drawn for the Golf Raffle, with exciting prizes going to the following winners:

- 1st Prize – Sig Sauer P365 handgun, donated by Revenue Enterprise: Rod Chouinard
- 2nd Prize – 2024 Q110 Fairway Woods, donated by Glendive Medical Center: Courtney Guetter
- 3rd Prize – Blackstone Grill, donated by Tractor Supply: Kaylee Salo
- 4th Prize – Two tickets to Bully Pulpit Golf Course in Medora, ND: Leticia Huber

In total, the Foundation raised an impressive \$134,000 to go toward renovations at GMC Extended Care, including updates to the nursing home and nurses’ station. “We are truly grateful for the support of our community,” said Christina Sager, Foundation Director and event organizer. “Whether you donated an auction item, became a sponsor, or joined us for golf—you helped make this event a success, and your generosity will have a lasting impact.”

LEWIS FAMILY CEREMONY

Jeff Lewis, son and Barbara Neves, daughter

Glendive Medical Center recently honored the incredible generosity of Bev Lewis, who graciously donated her home to GMC to support our traveling medical staff. This remarkable gift will have a lasting impact, helping ensure that those who care for our community have a welcoming place to stay.

Bev’s children, Jeff Lewis and Barb Neves, joined us for a special plaque unveiling in her honor. In a heartfelt tribute, we also shared Bev’s famous strawberry pie with those in attendance – a sweet reminder of her warmth and kindness. We extend our deepest gratitude to the Lewis family for this meaningful and lasting legacy of care and compassion.

MEMORIALS

These contributions were made in memory of individuals who hold a special place in the hearts of their families and friends. Through these gifts, their memory lives on by helping us provide compassionate care to our community.

A legacy donor is someone who chooses to leave a future gift to an organization through their will, estate plan, or other planned giving method. These gifts, often called bequests, help ensure the organization’s mission continues for generations to come. Legacy donors are typically recognized for their long-term commitment and vision to make a lasting impact beyond their lifetime.

If you’re interested in becoming a legacy donor, please contact the Foundation Office at 406-345-3373.
